*****Be prepared to replace all items throughout the school year as they run out.*****

There are several items that we always seem to run out of through the year: pencils, hand sanitizer, and **disinfectant wipes**. If you are able to purchase one item from this list to be used in the classroom, your help would be greatly appreciated.

Also, please understand that space is limited at school. Desks and lockers are small. Trapper keepers simply don't fit in the desks, and large book bags or book bags on wheels don't fit in the lockers. Unfortunately, we don't have enough extra space in the room to store the bags on wheels.

ITEMS FOR HOME USE to complete projects or homework activities: standard/metric ruler, dictionary, colored pencils, scissors, glue stick, multiplication flash cards

Thank you,
Fourth Grade Teachers
