MUST HAVE ITEM FOR HOME to complete projects or homework activities: Dictionary

There are several items that we always seem to run out of through the year: Ziploc bags (both quart and sandwich size), pony beads (solid colors), colored pencils and Crayola markers. If you are able to purchase one extra item from this list, to be used in the classroom, your help is greatly appreciated.

Students will keep extra supplies in their locker to replace throughout the year as needed.

Also, please understand that space is limited at school. Desks and lockers are small. Large book bags or book bags on wheels don't fit in the lockers. Unfortunately, we don't have enough extra space in the room to store the bags on wheels either. So, **bigger is definitely NOT better.**

Thank you,
Fifth Grade Teachers
