

## NC Eagle Café No Cost Meal Policy

North Central Local Schools has been notified that the USDA has extended a waiver for the Seamless Summer Option for school reimbursement. What does this mean for NC families? The Eagle Café at North Central can now offer no cost breakfast and lunch for all students in the district from September 15th until Christmas Break or until the funding is depleted. This includes students in the building as well as online students. (Online students should watch for information on how to sign up to pick up meals.) This does not include ala cart items or milk for those that pack, these items will cost extra. After December 31, students will be charged for meals according to their meal status. Please remember to fill out our free and reduced meal application and turn it into the office as soon as possible.

Our goal is to add another layer of precaution to help keep students safe while providing meals for as many students as we can. We hope you will join us for breakfast from 7:30 – 8:00 a.m. and sign up for lunch daily.
