Junior High and High School Parents:

The district has scheduled parent teacher conferences for two upcoming dates in November.

Monday, November 2 from 12:00-7:00 **(No school for students)**

Monday, November 9 from 3:30 – 7:30

This school year has been like no other in recent memory. Unfortunately, Covid-19 will cause us to make changes to our traditional face-to-face model of conferences to a more creative and safer approach to parent teacher conferences this year.

We will be offering two conference options for our families this year.

1. Phone conference – please call Mrs. Smeltzer at 419-737-2366 to schedule this conference with your child's teacher.
2. Zoom digital conference – please call Mrs. Smeltzer at 419-737-2366 to schedule this conference with your child's teacher.

Once you schedule your conference, the teacher will send you a link to connect through zoom. This connection can be through a computer or through a phone.

This school year has been unlike anything else and these conferences will be no different. We believe these two forms of communication may be our best options for parent/staff communication based upon the complexity of this Covid-19 pandemic.

Sincerely,

  
Dr. Marcia L. Rozevink  
Principal
