Mr. Tim Livengood
Mr. Shane Martin

Mr. Eric Smeltzer, Treasurer

January 13, 2021

Dear Parents/Guardians,

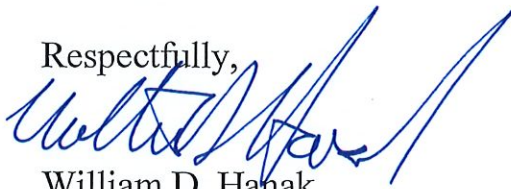

It has been a challenging year for all of us as Covid-19 continues to influence our daily routines, as families and as a school system. At school, we continue to work hard each day to keep students as safe as possible, while delivering a diversified educational experience for our students.

Our state and local health departments continually update schools with recommended changes and/or guidelines with hopes of keeping Covid-19 out of school and students in school learning. One recent update from state and local health officials is for students wear masks continually throughout the school day. By doing this, student and staff quarantines would greatly reduce if an individual tests positive for Covid-19, thus increasing the possibility of continuing face-to-face instruction.

The 3rd through 6th grade will begin immediately requiring all students to wear masks at all times throughout the day with periodic mask breaks to be determined by the teachers. We will continue to allow mask flexibility with our students during physical education, recess, and lunch.

We appreciate your support and cooperation with this new mask requirement for our students with our two main goals being keeping everyone as healthy as possible and maintaining face-to face instruction with our students. Please call with your questions and concerns.

Respectfully,

William D. Hanak
Superintendent
