Mr. Shane Martin

Mr. Eric Smeltzer, Treasurer

MESSAGE TO PARENTS at NORTH CENTRAL from Mr. Hanak, Superintendent

*We want Students IN class - every school day - as long as we can do so safely
This is how we are preparing in case we do need to go to at-home (also known as 'remote')
learning:*

• A laptop for every student

It may take a week or longer after school begins for every student's device to be ready, but all students will have a Windows laptop to use both at school and at home this year. More information will be provided the first days of class. Students are responsible for taking care of their device.

• Internet in every home

If you don't have Internet, we will work on help. This may take a few weeks - or longer - but that is our goal.

• Students will be practicing use of technology in school AND at home

Students will be practicing completing online homework with Google Classroom, learning by video recordings, and using live video instruction (Zoom) both at school and at home.

If your child needs extra assistance let us know - we will do our best to help!

• Will we have advance notice if we move to at-home learning?

Our goal is to give you at least 2 - 3 days' notice.

We MAY switch to at-home learning if our county goes to COVID level RED

We WILL switch to at-home learning if our county goes to COVID level PURPLE

Or if a health concern indicates this switch is required.

COVID alerts are usually issued Thursday afternoon by the State of Ohio. Friday classes typically will still run as usual as we verify information and prepare for at-home learning. The decision regarding a switch to at-home learning will usually be made and announced by 2 p.m. Friday. We may close on other days as needed, giving you as much notice as possible, following the same procedures as during snow emergencies.

MESSAGE TO STUDENTS at NORTH CENTRAL from Mr. Hanak, Superintendent

Complete work on time - in class AND when learning at home.

Check every day for your assignments posted in Google Classroom.

**Parents please help your younger children with logging in and understanding assignments. Instructions will be sent home, and all students will practice during class.*

**Help will be available for anyone needing extra assistance logging in*

Same rules apply in classroom AND when learning at home

**NO PJs, eating or drinking during live video (Zoom)*

Let your teacher know right away if you need extra help or something does not work right.
